

## Timelines for Spring - Fall 2023

You may apply to **UDLAP** under either our **Early Admission** or our **Late Admission** system, both allows you to compare admission and financial aid offers from other institutions and wait until **June 2<sup>nd</sup>** to make final college choice.

### TESTING INFORMATION

You must register at UDLAP's webpage and then submit the act or sat (test scores) as part of our application requirements. Students who decide to enroll at UDLAP will be required to submit copy of birth certificate and New Admission Form (SNI – Solicitud de Nuevo Ingreso).

Although it is possible to submit scores from tests taken the previous year (SAT and ACT) we recommend that you submit testing as early as possible.

Scores submitted before the end of November will allow us to begin our evaluation process for those submitting applications by the end of December, before the end of the scholar year. If you are applying Early Admission we would like your testing results by the end of October; however, you may submit the November series if needed. Those results are expected to arrive in time for consideration without the need and expense of "rush reporting."

If you are applying Early Admission, there is another option for you to enroll through our online testing. Register for the online test and share a tentative schedule with your International Admission Assessor, considering that the test contemplates a multiple choice, verbal and mathematical reasoning (in Spanish) test, with a duration of 2 hours.

---

### DEADLINES AND DECISION DATES

---

**SPRING-SUMMER**  
(PRIOR TO THE YEAR YOU APPLY)

Begin taking the following tests: • Required: ACT or SAT or  
• On site or Online UDLAP Test

---

**SPRING - FALL 2022**  
(PREVIOUS TO THE SEMESTER -  
YEAR YOU APPLY)

As early as possible, please submit:  
• Your application to UDLAP, via the **New Admission Form**. This is needed to open your admissions file, gather your documents, and set up an interview.

You may send to your international admission advisor the scanned application supplements attached (*Copy of a birth certificate and copy of official high school Transcript*).

---

## SEPTEMBER 1<sup>ST</sup>

**Early Admission applicants:** We recommend that you send your application by this date so that we may create and begin processing your file, and schedule a professor interview if required.

---

## END OCTOBER

**Early Admission applicants:** We request that you submit your standardized tests by the end of October. However, you are still eligible to apply using the November series as they should reach us in time for consideration.

---

## NOVEMBER 1<sup>ST</sup>
