

There are currently 11 enrolled students in the program, and we have four graduates from classes 2017 and 2018. Based on institutional capacities we can admit up to 5 students per year to respect a proportion of 5 students per professor.

Generation	Number of accepted students
2023	2
2022	2
2020	4
2019	3
2018	2
2017	2
