SCHOOL OF
SOCIAL SCIENCES

STUDY **MULTICULTURAL RELATIONS** AT UDLAP

As a graduate from the Bachelor of Multicultural Relations you will diagnose national and international conflicts derived from cultural differences; you will design strategies for such conflicts, from the theoretical, methodological, and practical point of view of social sciences and business, to build bridges between different groups, and thus promote intercultural negotiations as a mechanism for constructive change in social, political, and business circles.

Once you have finished your study program, you will have a bachelor's degree in addition to a licenciatura degree. Therefore, your studies will be recognized worldwide.
